City of Pasadena  
100 N. Garfield Avenue, #237  
Pasadena, CA 91109

Dear Councilmember Little:

I would like to thank you for giving me the opportunity to serve on the Northwest Commission. I enjoyed my experience serving on the Commission and interacting with a fine group of fellow Commissioners.

Unfortunately, due to my evening working hours, I can no longer serve on the Commission. Please except this correspondence as my official resignation from the Commission. If my working hours change and allows me to serve on the Commission, depending on if there is a vacancy, I will inform you of my availability.

Once again, thank you for giving me the opportunity and I look forward to the possibility of working with a fine group of Pasadena residents again.

Sincerely,

OSWALDO TARULA
