Mayor Chris Holden
City of Pasadena
100 N. Garfield Avenue, #237
Pasadena, CA 91109

Dear Mayor Holden:

I would like to thank you for giving me the opportunity to serve on the Northwest Commission. I enjoyed my experience serving on the Commission with a fine group of fellow Commissioners.

Unfortunately, due to my evening teaching obligations, I can longer serve on the Commission. Please except this correspondence as my official resignation from the Commission. If my teaching obligations change and allows me to serve on the Commission, depending on if there is a vacancy, I will inform you of my availability.

Once again, thank you for giving me the opportunity and I look forward to the possibility of working with a fine group of Pasadena residents again.

Respectfully,

EUGENE BROOKS
