

# Agenda Report

DATE: February 9, 1998

TO: CITY COUNCIL

FROM: CHAIR, RECREATION AND PARKS COMMISSION

SUBJECT: Recommended Changes to Current "Rules and Regulations" of the Recreation and Parks Commission

## RECOMMENDATION:

It is recommended that the City Council approve the changes (printed in italics) to the current "Rules and Regulations" of the Recreation and Parks Commission which govern the conduct of Commission business.

## BACKGROUND:

The attached Rules and Regulations of the Recreation and Parks Commission were first adopted by the Commission and subsequently approved by the Board of Directors on June 14, 1988. The Rules and Regulations are consistent with Pasadena Municipal Code Chapter 2.100, and govern the conduct of the Commission's business. Section 2.100.080 of the Pasadena Municipal Code requires that the Recreation and Parks Commission Rules and Regulations be approved and ordered filed by the City Council prior to taking effect.

Because of changes over the past ten years, including changing the Commission name from the Parks and Recreation Commission to Recreation and Parks Commission, it is recommended that the City Council approve the various changes (printed in italics). The Recreation and Parks Commission approved the recommendations at their regular meeting on January 6, 1998. These changes have also been reviewed by the City Attorney's Office.

## FISCAL IMPACT:

This requested action does not require any additional expenditures.

Respectfully submitted,

  
THOMAS D. SEIFERT, CHAIR  
Recreation and Parks Commission
