Dear Arts Commission:

As I mentioned at the last meeting I attended, I'm leaving Pasadena to move to New York. Our house sold more quickly than expected and we'll be leaving the L.A. area at the end of this month. Please accept my resignation as arts commissioner effective immediately.

I enjoyed having the opportunity to work with all of you and with a great public arts manager, Rochelle Branch.

I will keep in touch and hope that you will keep me informed of future completed projects.

While I get relocated in New York you may send correspondence to me through a friend. Send mail to:
