Dear Board Members:

I have received the last correspondence titled "A Reason to Be Proud" I commend you. Such project demonstrate the existence of seldom-found dedication and hard work intertwined with creativity.

However fond I am of the Aquatic Center and the members of its board, I will not be able to continue. The past several meetings have demonstrated the failing of my efforts to resolve the conflict between my sons' schedule and the Aquatic's. I wish you the best of success, and I shall see you again.

Sincerely,

 SONA PAPARIAN
