Ms. Lucia Reyes, Chair
Commission on the Status of Women
City of Pasadena
234 E. Colorado Boulevard, Ste. 205
Pasadena, California 91101

Dear Lucia:

Thank you for your recent letter in which you express concern as to my place of residence. Please rest assured that I am aware of the residency requirement and that I am qualified to serve as a Commissioner for the Commission on the Status of Women.

I have thoroughly enjoyed serving the City of Pasadena in this capacity, however, due to upcoming commitments and time restraints I find it necessary to resign as Commissioner. My resignation will be effective November 1, 1999.

It has been a great pleasure to have been a part of the Commission. I look forward to an association with the Commission, albeit on a different level, as we continue to work on issues affecting the women in our community.

Once again, thank you for the opportunity to make a difference in the lives of women.

Best Regards,

Audy Vasquez
