The Honorable Mayor Chris Holden
100 N. Garfield Ave., Room 237
Pasadena, CA 91109

Dear Mayor Holden,

We appreciate your city's willingness to participate in the 1998 "Take A Youth To Work Day" event sponsored by The New Leaders and State Senator Teresa Hughes. Listed below are the specific items needed from your city to make the event a success:

- Financial sponsorship of 25 youths from your city at \$100 per child (\$2,500).
- City facilities for an April meeting to coordinate the youth and mentors from your area.
- City facilities and continental breakfast for the morning briefing session and youth pick up on May 8, 1998, (100 men and 100 youths).
- Coordinate transportation for youth return from closing reception to designated parent pick up location.

We would request an audience at City Council relative to this request.

Sincerely,

Sharon Evans
