To whom it may concern:

Due to an increasing number of professional commitments and severe time constraints, I regret to inform you that I will be unable to continue my duties on PCAC's Board of Directors. Please know that my decision was not made lightly. During my tenure on the Board, I have grown to appreciate the unique and vital role public access programming serves in our community. I have also been inspired by the level of dedication and commitment demonstrated not only by this Board, but by the members of the community it serves. With each new challenge PCAC has faced, I have seen this organization emerge stronger and better-equipped to face the future. I am honored to have played some part in this process and wish you much success in the years to come.

Kind regards,

Monika Y. Harris
