Honorable Joyce Streater
Councilwoman, First District
City Of Pasadena
100 North Garfield Avenue
Pasadena, CA 91109

Dear Ms. Streater:

First, let me take this opportunity to thank you for the trust and faith you placed in me by appointing me to the North West Commission. I have thoroughly enjoyed my experience on the Commission, tackling tough issues and interacting with a superb group of fellow Commissioners. I was constantly impressed with the tenacious attitude the Commissioners had in insuring that the North West area was properly served.

Unfortunately, due to the many constraints of my time and my appointment to the Charter Reform Commission, I am no longer able to serve as a member of the North West Commission. On that note, please view this correspondence as my official resignation from the North West Commission.

I have enjoyed my time on the commission and look forward to attending future Commission meetings as a member of the public. I also look forward to completing the task set before the Charter Reform Commission. Again, thank you for the trust that you placed in me, and I look forward to continuing my public service as a member of the Charter Reform Commission.

Very truly yours,

Brian K. Williams
