Dear Councilmember Madison:

I have been offered and have accepted an opportunity to return to C-SPAN in November 1999 as executive producer. I will be responsible for the programming and staff of *Washington Journal*, the network's daily, national viewer call-in program that will provide extensive coverage of the 2000 Presidential election. This position will also require my relocation to Washington, DC for the next year.

Charter Communications is a client of C-SPAN and has a seat on the network's board of directors. Therefore, I believe it will be necessary for me to step down from the board of the Pasadena Community Access Corporation. At the request of my colleagues on the board of the PCAC, I have agreed to remain as a director until October 31, 1999.

It was an honor to be called to serve you and our community and I regret that my tenure will be brief. I will work hard in the next few months to help the PCAC make progress on the great challenges ahead. Please accept my very best wishes to you and your colleagues on the city council.

Sincerely,

The Honorable Steve Madison
