Honorable Chris Holden
Mayor
City of Pasadena
100 North Garfield Avenue
Pasadena, CA 91109

-- MAYOR --

Re: RESIGNATION FROM THE TRANSPORTATION ADVISORY COMMISSION
RESIGNATION FROM THE ROUTE 710 DESIGN ADVISORY GROUP

Dear Mayor Holder:

This letter will confirm my resignation from the City of Pasadena Transportation Advisory Commission. Due to increasing job requirements, I can no longer adequately commit the time required to serve on this Commission.

I have very much enjoyed my experience on TAC, and I regret leaving at this time. As we move forward with the continued growth of Pasadena as a great place to live in the 21st century, one of our greatest challenges will be to imaginatively and successfully address our transportation needs. As top priorities, we must more effectively merge the concepts of land use and transportation in our planning process, and we must implement a workable community-based transit system for our citizens.

I look forward to serving the City of Pasadena in the future when I again have the necessary time available to make a contribution to the community.

Finally, this letter will also constitute my resignation from the Route 710 Design Advisory Group.

Sincerely,

David L. Worrell
