**Subject:** Adult Business Ordinance

Dear Mayor Bogaard, Pasadena City Councilmembers, and City Staff:

Let it to be clearly known that I fully support the FULLY REVISED ADULT BUSINESS ORDINANCE that which will be before the City Council on Monday the 4th of December.

A yes vote for the ordinance is a yes vote for the City of Pasadena and its residents. Please DON'T compromise what the City Manager forwarded to the City Council for a vote. Removing any of the restrictions, will compromise the ordinance and may force me to remove my support.

I realize what a complicated legal situation all of this is and admire the courageousness of the Pasadena City Council in taking on the fight.

To me, it is not about the morality or first amendment rights of an adult business but the right of an individual to maintain the quality and safety of their homes and neighborhoods.

Thank you,

Scott Allen

Dear Mayor and City Council Members:

Thank you for listening to the collective will of the people in adopting the New Adult Business Ordinance!

We believe the new Ordinance is as restrictive as possible and one that is huge PLUS for the long term Good of Pasadena.

Please apply this new and fully revised Ordinance to all current Adult Businesses (via amortization code), all pending applications, and any new applicants. The new Ordinance needs to be applied to everyone equally with no exceptions.

We stand united behind your decision last night and truly appreciate your resolve to keep Pasadena safe and to Protect its character for generations to come.

**Subject:** IN SUPPORT OF THE REVISED ADULT BUSINESS ORDINANCE

Dear Mayor, Council and City Staff,

Let it to be clearly known that I fully support the FULLY REVISED ADULT BUSINESS ORDINANCE that which will be before the City Council on Monday the 4th of December.

I applaud the effort of all involved in developing a comprehensive Adult Business Ordinance which we believe will protect Pasadena Citizens.

A yes vote for the ordinance is a yes vote for the City of Pasadena and its residents. Please DON'T compromise what the City Manager forwarded to the City Council for a vote. Removing any of the restrictions, will compromise the ordinance and may force me to remove my support for the ordinance and my support of you as our decision makers.

Sexually-oriented clubs will not only hurt the image of Pasadena but will likely increase crime in the region. This will deter the best and brightest minds in the world to make Pasadena their home. This will detrimentally impact the economy of Pasadena.

I want to convey my strongest opposition to the establishment of any Adult clubs in Pasadena.

Sincerely,

Raad Nashmi

We have lived in the City of Pasadena for over 31 years. We have supported businesses along Foothill Blvd during that time. Our children have taken our family pets to

the Foothill Veterinary Hospital for over 20 years. We do not need to have adult businesses in our city, especially in residential areas where children can come into

contact with the type of element that frequent adult businesses. We have a right to keep these types of businesses from contaminating our neighborhoods. We strongly

support the revised adult business ordinance. These types of businesses should be located in industrial or vacant areas far from the respectable people in our

community.

I am in support of prohibiting another strip club in Pasadena. This is a wonderful community and we do not need this here. For those who want it, they can go to Vegas or Hollywood.

Thank-you,  
Kate Finigan

It has come to light that the lawyer for the current Strip Club **has sued some of the City Council personally**. So the stakes are becoming serious. As such, we must stand united in demanding our council members support this new and fully revised ordinance which will be before them on Monday Dec. 4th.

**The new Adult Business ordinance is not just about this one applicant at all.** It is directly about the future of our City. A strong ordinance with many regulations will discourage the proliferation of Sexually Oriented Businesses within the City Boundaries. It is exactly what we wanted and exactly what we need.

**Our e-mail letters will demonstrate our resolve and become part of the OFFICIAL RECORD!**

It is imperative that you E-MAIL letters at once! It will demonstrate our resolve and hopefully it will sway the council to vote in support of the ordinance! You don't have to be a Pasadena Citizen to send an e-mail in support of the Ordinance.

Furthermore, please instruct all you know to visit [www.nostrippers.com](http://www.nostrippers.com).

It is very important that the City Clerk get your e-mail's at once so that they become part of the public record.

Every person counts, every person is important!
