Mayor Bill Bogaard
100 N. Garfield Avenue, Room S228
P.O. Box 7115
Pasadena, CA 91109

Dear Mayor Bogaard:

I regret to inform you that I will be resigning from the City of Pasadena's Human Relations Commission, effective immediately. Unfortunately, circumstances have arisen which have made it difficult for me to effectively carry out my duties as a Commissioner, and I feel that it would be better to appoint someone who will be able give this position one hundred percent of their time and effort. At this point, I am unable to do so.

I am grateful to you for giving me the opportunity to serve my city and my community as a Human Relations Commissioner. I have learned so much and will continue to support the Commission and its mission in any way that I can.

Thank you,

Laura Craft Hogensen
