

February 2nd 2015

Via Email

Pasadena Mayor, Honorable Bill Bogaard, and Pasadena City Council

Pasadena Roving Archers has reviewed the proposal and recommendations released by the City on Thursday and we are in agreement with the exception of recommendation #4.

Recommendation #4 is vaguely written and appears to be inconsistent with recommendations #1-#3 and #5 and so at this time we can not offer our support of it. With respect to the terms of the agreement we continue to believe that:

- requiring archers to have taken a safety class and obtained a certification for use of the range during periods of public use
- encoding the range rules in the Pasadena Municipal Code such that they are readily enforceable
- relocating the targets that have been removed from private property onto city property
- improving the barriers and signage consistent with the Lower Arroyo Master Plan
- removing the ad hoc trail that runs adjacent to the target bales between the bales and the archers' shooting positions

will ensure that archery on this historic range can continue safely and in harmony with other users of the Arroyo.

Sincerely

Gary Spiers

President, Pasadena Roving Archers, an all volunteer 501(c)3 public charity
Celebrating the art of the bow and arrow in the Lower Arroyo since 1935

Pages 9-111 Online petition signatures 3,311 signatures as of 8:30 am 2/22/2015

Pages 112-165 Paper petitions, signatures collected on the range from archers and passers by -
917 signatures

Over 3000 people have signed the online petition to preserve the Lower Arroyo Archery Range, and over 1000 of them left a remark indicating their reason for signing. Below are some of those remarks.

As a frequent runner on the Arroyo trails, I have found the archers to be friendly and courteous. I am in favor of maintaining the archery range in its present status, with improved marking for designated trail areas for running and walking adjacent to the archery area. As a long-time runner, I've found off-leash dogs and careless dog owners to be by far the greatest hazard in use of this area, not the archers.
– Dennis O'Leary, Pasadena

I jog by this three times a week. It is always fun to see and everyone seems so happy there. It does not interfere with my jogs, but adds a fun stop off point to marvel at what they are doing. Please keep it around. – Zak Staniszewski, Pasadena

For the recreational enjoyment of my students and myself, please preserve the Archery Range in the Arroyo. Thank you! – Billy Hackett, Pasadena

I'm not an archer But I enjoy watching those who are. On many occasions I have taken the opportunity to talk with those with bow and arrow and have learned about the sport, tournaments and equipment. The archers are part of the interesting fabric it is The Arroyo. – Donald Milner, Pasadena

We are not archers, but we walk the Lower Arroyo frequently. The archers don't get in our way. We think they should continue to enjoy the Arroyo as we do. It's kind of cool that it's the oldest field archery range in the country. The Arroyo has room for archers and hikers and others who enjoy the wildlife and open spaces. – John and Virginia Kimball, Pasadena

I had a lot of fun at the archery range and I know, as a former high school cross country who trained in Lower Arroyo Seco Park, that the archery range does not restrict the hiking paths. – Jessica Almaraz, Pasadena

I enjoy seeing the archers in the arroyo when I walk there. They are not harming anyone & deserve to continue their sport in peace. – Joyce Breslin, Pasadena

I hike in the arroyo all the time and the archery range does not interfere at all with my walk. I like seeing the archers there. Take away Brookside Golf Course if you need more public land in the Arroyo. – antoinette devereaux, Pasadena

Besides for being a third generation local who grew up enjoying this archery range, I have brought many of the kids from my youth group to learn archery basics at this time honored and loved location. It's far more useful than some historic building to look at and yet it's not protected as a historical landmark as it should be! – Paul Taylor, Pasadena

This is a place where we learn and enjoy nature at the same time. – Purvi Macwan, Pasadena

My son was introduced the archery range through his Scout troop. He also used it for a high school science project. As a parent, I was impressed by the Roving Archers' organization, safety measures, and willingness to welcome and work with archers of every skill level. This is a real public resource and it would be a shame to close it. I'm sure there are ways to ensure that the archery range and public walking trails can continue to safely co-exist -- I certainly haven't see any problems the many times I've been there over the past years. – Janet Graff, Pasadena

I used to shoot archery there, and my children received instruction in both the Boy Scouts and Girl Scouts there. It is a wonderful family outdoor activity and is important to retain for future generations. – Nancy Lain, Pasadena

As a runner, Arroyo Seco should remain multi-use; archers included. If archers are excluded casting pond is next, etc. I vote in every election. – Bruce Sutherland, Pasadena

I've been shooting at this range since I was four years old. I'll be eighteen next month. This range is a huge part of my childhood and the thought of it being shut down is heartbreaking to me. I can't imagine a future generation of Pasadena and adjacent kids, missing out on such a wonderful experience. – Katherine MacQuarrie, Pasadena

Shortly after moving to Pasadena 13 years ago, I was out exploring the city and stumbled across the Arroyo Archery Range.

"How cool!" I thought, "This truly is a unique city!"

Now I have two boys--a Cub Scout and a Boy Scout, and both are learning and practicing archery at this range.

*The citizens of Pasadena are blessed to have something of this caliber available to all of us.
– Lee Blaine, Pasadena*

I have been acquainted with PRA for nearly 15 years and have seen what great work they do teaching archery to young and old, particularly the boys of BSA Troop 4 in Pasadena. The range is historically significant and its preservation is in the best interests of the City

– Clint Palmer, Pasadena

Enjoy practicing archery with the family in the local neighborhood – Edward Lampert, Pasadena

I believe youth today should focus and be encouraged in positive activities in the community. My children and nephews are taking these classes and they absolutely love it and enjoy it. This program is safe and is a great low-cost program that beats the cycle of lack of opportunity for youth in our community. It increases self-esteem and knowledge of the world around them. – CLAUDIA SANDOVAL, Pasadena

I appreciate the uniqueness of having an archery range in our city. My three sons earned their Boy Scout archery merit badges at this location. The Arroyo has plenty of miles of hiking trails. Our city should be encouraging outdoor activity for our youth, they spend way too much time indoors in front of a screen. – Pam Thomas, Pasadena

Archery is a valuable sport for people of all ages. The Lower Arroyo Archery Range has a history of being safe and it gives Pasadena residents another valuable venue for family activities. Preserve the Archery Range. – June Manners, Pasadena

Have used the range with my children. It's a beautiful location for a fun and skill expanding sport. – Andrew Pickett, Pasadena

Pasadena roving arches gave my family common ground to stand on – ricardo valladares, Pasadena

it is a great place for the local cub/boy scouts to go and learn about archery. We go every year and find the organization to be a great and welcoming group. This is a piece of Pasadena history and should not be lost – Peter Millsap, Pasadena

I'm a competitive archer and love the Pasadena range. Archery is an amazing sport that requires discipline and focus. As a disabled athlete it provided a way for me to get back into sport that was safe for my body. Please don't take this away from the public! The only 'close' quality public archery range is all the way in Oak Park (Ventura) and many can't drive that far. – Kaitlin Kelly, Pasadena

I have been going to the Pasadena archery range for 2 years now and I absolutely love it! Archery is a way for my dad and I to bond and spend time with each other. The range instructors are dedicated and enjoy helping all the archers improve their form and skills. Please do not shut down the archery range. It is like a second home now. – Ruchi Parikh, Pasadena

My daughter and I enjoy the time we spend there. I would hate to lose such a valuable space where my daughter and I have shared so many do many special memories. – Erich Kuehn, Pasadena

My husband and his friends started taking classes here. And their friendship has grown stronger bonding over being able to spend time together here. – Jodette Octavio-Thomas, Pasadena

The archery range is an important historical location, in addition to being an important usable facility, for Pasadena – Carol Edger Germain, Pasadena

Life is full of hazards. I am far more worried about heart disease, random gunfire or economic disaster than being shot by an arrow in the arroyo. If, in 78 years, not a single soul has been killed or injured by a stray arrow, what are we wasting all this time and effort for? – Cynthia Frederick, Pasadena

The PRA archery range is part of what makes Pasadena unique and a great place to live. My daughter took up an interest in archery and what do you know but there is the oldest and best range in the country right here in Pasadena. Of course! That is why I have come to live in Pasadena, it's that kind of city. – Russell Rucker, Pasadena

The Arroyo archery range did not only provide me with the chance to finally start practicing a sport that I always wanted to do from early childhood on, but also gave me the chance to meet a lot of people and make new friends easily after moving to Pasadena! – Christopher Ede, Pasadena

Archery is a recreational outdoor family activity where members can "unplug" and enjoy good old-fashioned conversation and family-bonding activities. – Eric Blakely, Pasadena

this is important to mean as it is a vehicle for those people to enjoy the arroyo and all it offers. This brings people together and many youth are involved - this is a low cost opportunity for them to establish success in something they do - this archery range is historic and should stay. – Linda Harris, Pasadena

This is a lovely area where I've taken my daughter to teach her archery, and there is plenty of room here for both archers and hikers/walkers/joggers. There's absolutely no reason to cut into the archer path other than for pure spite on the part of the Mayor's wife. – Martin Thomas, Pasadena

This is a piece of history, and it brings the community closer together. – Felipe Sinohui, Pasadena

The Archery Range is a great community program the diversity of people who show up weekly for lessons is amazing. The instruction focuses on safety and the instructors are extremely nice. Losing part of the range would take away from this historic space and community. – Anthony Molinaro, Pasadena

I want the archery range to be preserved; it adds a neat attribute to this beloved city and the people who are opposing it seem to have the facts wrong. The land this small Archery Range sits on seems like a minimal sacrifice when you think about all the hiking trails that the San Gabriel Valley has to offer, and the fact that Pasadena can lay claim to having an archery range is amazing. – Eevee Valenzuela, Pasadena

As a Pasadena resident, I'm outraged that this historic range is under threat by "hikers." There are countless beautiful places to hike and stroll throughout Pasadena alone. There is, however, only ONE archery range. – Kaylene Flippin, Pasadena

I think this club is an important asset to the community and its location in the arroyo is taking nothing away from other visitors. – Ralph Pichler, Pasadena

To keep a group of entitled elitists from taking a beautiful historic sporting landmark away from the people of not just Pasadena but southern California. They just want it as their own private trail for running and walking their dogs off leash. Only to terrorize the local fauna. Now I have dogs and I run. But there are places for that. And a marked trail there. They just want it as their own private sector. – Roy Gray, Pasadena

I look forward to my kids future use at the archery. I enjoy my bird and wildlife walks through the area. Knowing others enjoy their sport here brings me great joy. It's truly a place for many to be participating in its grand space. Preservation is a must. – Kristy Clougherty, Pasadena

Archery is more popular today than it has been in recent, previous decades due in large part to the film "The Hunger Games". It's also a very basic training for hunting, using weapons much more civil and safe to other humans than firing arms. Because of the 79 year history of this Archery Range in the Lower Arroyo, and its history of safety, there is no reason to close the range or re-purpose it. Please preserve it. – Dylan Russell, Pasadena

Pasadena has committed itself to diversity in recreational activities. This gem is not only historic, but also satisfies that goal. – Emily Stork, Pasadena

The archery range is a significant part of Pasadena history and supports the community in many charitable and broad ranging ways. – John Yamasaki, Pasadena

Having an archery range is an extremely unique and valuable asset to the community. – David Hollin, Pasadena

don't let a few shortsighted complainers kill a historic cultural and athletic resource for all. i don't use the archery range, but i'm glad it's there for those who do. – Mike Murashige, Pasadena

I am signing this petition because Pasadena Roving Archers are a vital part of what makes our city diversely special, both historical and currently. It would be a huge loss to take away any part of the 79 years of this rare and engaging group. – Licia Gutierrez, Pasadena

I have been attending the public classes for almost a year now. It is a joy to be able to come shoot on the range on Saturdays while others enjoy jogging, walking dogs and riding their horses through the same park. It is thanks to the Pasadena Roving Archers and this range that I and many others have discovered a love of archery. To close the range would be a disservice to the community. – Holly Knevelbaard, Pasadena
